CHAPTER IV
CONCLUSION AND SUGGESTION

This chapter writer decides to discuss about conclusion of the analysis of types of love and how love can motivate the main character in *The Fault in Our Stars* movie, and also suggestion for the next writers and readers.

4.1 Conclusion

Love is someone’s feeling that reflecting through like each other. In this movie, Hazel and Augustus are the main character. They are falling in love at the first sight. Hazel shares her favorite book, *An Imperial Affliction* to Augustus, and they obsess about the unsolved ending. Augustus manages to somehow get through to the author and when Hazel emails him, he invites her to come to the Amsterdam to discuss the ending of the book. A fan’s dream comes true.

Based on the analysis, the writer found types of love in the movie that the main characters have. That are Eros, Ludus, Storge,Pragma, Mania, and Agape. From the types of love in this movie, the writer found that love can be motivate to the main character. love motivate the main character make them enthusiast to their life and to do something that can makes another people happy.

4.2 Suggestion

Based on the result of the analysis about Love as a Motivation of Life in “The Fault in Our Stars” movie directed by Josh Boone, the writer can give the
suggestions for the readers and the next writers in the related field. There are some suggestions to the readers based on all the information stated in this paper:

1. Love can motivate someone to make them enthusiast to their life and to do something that can make another people happy.

2. The reader could understand the types of love from what the main character visualizes.

3. The readers could take benefit from what the writer explains and pictures in this Final Assignment.

There are several suggestions that might be followed by the next writers who has the interest in the same field, there are:

1. In completing data, the next writer should complete the whole data that is needed from some reference books from the library.

2. In analyzing the case, the next writers should analyze the cases in deep analysis and supported by accurate data and theories.

3. The next writers may choose other title to make new analysis, so then, they can develop their knowledge.
