CHAPTER IV
CONCLUSION AND SUGGESTION

After having the analysis, finally the writer comes to the last chapter to make some conclusion of her analysis. She also gives some suggestion to the next writer.

4.1 Conclusion

Love is someone’s feeling that reflecting through like each other. In this movie, Hazel and Augustus are the main character. They are falling in love at the first sight. Hazel shares her favorite book, *An Imperial Affliction*, with Augustus, and together they obsess about the unsolved ending. Augustus manages to somehow get through to the author and when Hazel emails him, he invites her to come to Amsterdam to discuss the ending of the book. A fan's dream comes true. Based on the data analysis, the writer founds that there are two aspect of love that the main character have. After doing analysis in the movie *The Fault in Our Stars*, the writer concludes there are two aspect of love in this movie and the writer also finds two types of love in this movie.

The first aspect of love that presented in *The Fault in Our Stars* movie is Intimacy. Intimacy is the emotional component which involves feeling the closeness. It is includes feeling loved, shared disclosure, empathy, support and sharing. This aspect occurs when Augustus and Hazel have a sense of belonging, and they have special phrase "okay" which means "always". Augustus shared him
wish with Hazel to go to Amsterdam. Then when Hazel told her mother about Augustus shared him wish, her mother was happy with what Hazel told, and her mother also gave a compliment to Augustus. Intimacy also can be seen when Hazel come and helped Augustus that he was in an emergency.

The second aspect of love is Passion. Passion is the motivation components which reflect romantic, sexual attraction, feeling euphoria, infatuation and psychological arousal generally. Passion occurs when Hazel Grace kissed Augustus at Anne Frank’s house. Hazel expresses her love to Augustus with kiss. Hazel felt the closeness between them was getting closer, more than just a friend.

From *The Fault in Our Stars* movie, the writer finds two types of love that shown by the main character in this movie, there are Eros and Agape.

### 4.2 Suggestions

After doing the analysis and making several conclusions. The writer also gives several suggestions. As follow:

1. The other research who wants to analyze the same subject, they have to know about the aspect of love. It needs to finds many theories to support the data. The comprehension of the theories is more important things in order to analyze the data.

2. The writer hopes that the readers are interested to read literature’s work, so they can get much knowledge from it.
