

**Lyric of *The Greatest Show* by Hugh Jackman, Keala Settle, Zac Efron,
and Zendaya**

Whoa

[Hugh Jackman:]

Ladies and gents, this is the moment you've waited for (whoa)
Been searching in the dark, your sweat soaking through the floor (whoa)

And buried in your bones there's an ache that you can't ignore

Taking your breath, stealing your mind

And all that was real is left behind

Don't fight it, it's coming for you, running at ya

It's only this moment, don't care what comes after

Your fever dream, can't you see it getting closer

Just surrender 'cause you feel the feeling taking over

It's fire, it's freedom, it's flooding open

It's a preacher in the pulpit and you'll find devotion

There's something breaking at the brick of every wall it's holding

All that you know, so tell me do you wanna go?

[Ensemble and Hugh Jackman:]

Where it's covered in all the colored lights

Where the runaways are running the night

Impossible comes true, it's taking over you

Oh, this is the greatest show

We light it up, we won't come down

And the sun can't stop us now

Watching it come true, it's taking over you

Oh, this is the greatest show

[Hugh Jackman:]

(Whoa) colossal we come these renegades in the ring

(Whoa) where the lost get found and we crown them the circus kings

[Ensemble and Hugh Jackman:]

Don't fight it, it's coming for you, running at ya

It's only this moment, don't care what comes after

It's blinding, outshining anything that you know

Just surrender 'cause you're calling and you wanna go

Where it's covered in all the colored lights

Where the runaways are running the night

Impossible comes true, intoxicating you

Oh, this is the greatest show

We light it up, we won't come down

And the sun can't stop us now

Watching it come true, it's taking over you
Oh, this is the greatest show
[Hugh Jackman and Keala Settle:]
It's everything you ever want
It's everything you ever need
And it's here right in front of you
This is where you wanna be (this is where you wanna be)
It's everything you ever want
It's everything you ever need
And it's here right in front of you
This is where you wanna be
This is where you wanna be
[Ensemble, Zac Efron, Keala Settle, Zendaya and Hugh Jackman:]
Where it's covered in all the colored lights
Where the runaways are running the night
Impossible comes true, it's taking over you
Oh, this is the greatest show
We light it up, we won't come down
And the sun can't stop us now
Watching it come true, it's taking over you
[Zac Efron:]
This is the greatest show
[Ensemble:]
Where it's covered in all the colored lights
Where the runaways are running the night
Impossible comes true, it's taking over you
Oh, this is the greatest show
We light it up, we won't come down
And the walls can't stop us now
I'm watching it come true, it's taking over you
Oh, this is the greatest show
[Zac Efron and Zendaya:]
'Cause everything you want is right in front of you
And you see the impossible is coming true
And the walls can't stop us (now) now, yeah
This is the greatest show (oh!) 9×

Lyric of *A million dreams* by Ziv Zaifman, Hugh Jackman, and Michele Williams

I close my eyes and I can see
The world that's waiting up for me
That I call my own
Through the dark, through the door
Through where no one's been before
But it feels like home
They can say, they can say it all sounds crazy
They can say, they can say I've lost my mind
I don't care, I don't care, so call me crazy
We can live in a world that we design
'Cause every night I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make
There's a house we can build
Every room inside is filled
With things from far away
The special things I compile
Each one there to make you smile
On a rainy day
They can say, they can say it all sounds crazy
They can say, they can say we've lost our minds
I don't care, I don't care if they call us crazy
Runaway to a world that we design
Every night I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make
However big, however small
Let me be part of it all
Share your dreams with me
You may be right, you may be wrong
But say that you'll bring me along

To the world you see
To the world I close my eyes to see
I close my eyes to see
Every night I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
A million dreams, a million dreams
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make
For the world we're gonna make

Lyric of *This is Me* by Keala Settle

I am not a stranger to the dark
Hide away, they say
'Cause we don't want your broken parts
I've learned to be ashamed of all my scars
Run away, they say
No one'll love you as you are
But I won't let them break me down to dust
I know that there's a place for us
For we are glorious
When the sharpest words wanna cut me down
I'm gonna send a flood, gonna drown them out
I am brave, I am bruised
I am who I'm meant to be, this is me
Look out 'cause here I come
And I'm marching on to the beat I drum
I'm not scared to be seen
I make no apologies, this is me
Oh-oh-oh-oh-oh-oh-oh-oh
Another round of bullets hits my skin
Well, fire away 'cause today, I won't let the shame sink in
We are bursting through the barricades and
Reaching for the sun (we are warriors)
Yeah, that's what we've become (yeah, that's what we've become)
I won't let them break me down to dust
I know that there's a place for us
For we are glorious
When the sharpest words wanna cut me down
I'm gonna send a flood, gonna drown them out
I am brave, I am bruised
I am who I'm meant to be, this is me
Look out 'cause here I come
And I'm marching on to the beat I drum
I'm not scared to be seen
I make no apologies, this is me
Oh-oh-oh-oh-oh-oh-oh-oh
This is me
and I know that I deserve your love
(Oh-oh-oh-oh) 'cause there's nothing I'm not worthy of
(Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh)
When the sharpest words wanna cut me down

I'm gonna send a flood, gonna drown them out
This is brave, this is proof
This is who I'm meant to be, this is me
Look out 'cause here I come (look out 'cause here I come)
And I'm marching on to the beat I drum (marching on, marching, marching on)
I'm not scared to be seen
I make no apologies, this is me
When the sharpest words wanna cut me down
I'm gonna send a flood, gonna drown them out
I'm gonna send a flood
Gonna drown them out
Oh This is me
