CHAPTER IV

CONCLUSION AND SUGGESTION

4.1. Conclusion

After analyzing the soundtracks of *Mockingjay Part 1* movie the writer has chosen, *Yellow Flicker Beat* and *Kingdom*, it is known that the songs use metaphors on the lyrics. There are seven metaphors in *Yellow Flicker Beat* lyrics. They consist of absolute metaphor, complex metaphor, conceptual metaphor, conventional metaphor, and extended metaphor. On the other hand, the song *Kingdom* has ten metaphors in its lyrics. The metaphors used are absolute metaphor, conventional metaphor, conceptual metaphor, and complex metaphor.

After analyzing the song, the writer has interpreted the meaning of the metaphors used on each song. The first song, *Yellow Flicker Beat*, told about what the main character of the story felt. This song expressed that the main character of the movie was not interested to fight and already gave up at first. And then she found her determination to fight against the Capitol. Meanwhile *Kingdom* is about people from District 12 who were traumatize after the bombing of their hometown. The atmosphere of sadness and loneliness was clear in the lyrics of this song.

As both songs used variety of metaphor, it is necessary to find out what type of metaphor that is dominating in the songs. After analyzing the types of metaphor in the
songs, the writer found that absolute metaphor is the most dominating type of metaphor used in both songs. Absolute metaphor used for the total six times for both songs.

### 4.2. Suggestion

Based on the result of the analysis the writer has a suggestion for another students who are majoring in English. It is essential to learn about figurative language and metaphor. Therefore, to study about the subject is important. Because by learning figurative language and metaphors, it can help people improve their skill in figure of speech.

For another researchers who wants to have metaphor as a subject of their analysis, the writer suggest them to dig about the meaning of metaphor deeply. The reason is because the meaning of metaphor can be a problem to someone who is not sensitive to language. Therefore, to learn more about metaphor’s meaning is vital. Other researchers can also do some researches about metaphors but by using a different object or by doing a new approach to the subject.
