BAB I _______ PENDAHULUAN .................................................................................. Error! Bookmark not defined.
1.1. Latar Belakang ............................................................................................................... Error! Bookmark not defined.
1.2. Maksud dan Tujuan ...................................................................................................... Error! Bookmark not defined.
1.3. Metode Penelitian ....................................................................................................... Error! Bookmark not defined.
1.4. Ruang Lingkup ............................................................................................................ Error! Bookmark not defined.

BAB II _______ LANDASAN TEORI ........................................................................ Error! Bookmark not defined.
2.1. Perangkat Keras ........................................................................................................ Error! Bookmark not defined.
2.2. Perangkat Lunak ........................................................................................................ Error! Bookmark not defined.

BAB III _______ PEMBAHASAN .............................................................................. Error! Bookmark not defined.
3.1. Tinjauan Umum Alat ................................................................................................ Error! Bookmark not defined.
3.2. Blok Rangkaian .......................................................................................................... Error! Bookmark not defined.
3.3. Skema Rangkaian Alat ............................................................................................ Error! Bookmark not defined.
3.4. Cara Kerja Alat .......................................................................................................... Error! Bookmark not defined.
3.5. Flowchart Program .................................................................................................. Error! Bookmark not defined.
3.6. Konstruksi Sistem (Coding) ................................................................................ Error! Bookmark not defined.
3.7. Hasil Percobaan ........................................................................................................ Error! Bookmark not defined.

BAB IV _______ PENUTUP ......................................................................................... Error! Bookmark not defined.
4.1. Kesimpulan .............................................................................................................. Error! Bookmark not defined.
4.2. Saran ....................................................................................................................... Error! Bookmark not defined.
DAFTAR PUSTAKA ................................................................. Error! Bookmark not defined.
DAFTAR RIWAYAT HIDUP .................................................. Error! Bookmark not defined.
LAMPIRAN A Listing Program............................................. Error! Bookmark not defined.
LAMPIRAN B Skema Rangkaian......................................... Error! Bookmark not defined.
LAMPIRAN C Daftar Komponen dan Harga ........ Error! Bookmark not defined.
LAMPIRAN D Foto Alat..................................................... Error! Bookmark not defined.
LAMPIRAN E Data Sheet....................................................... 46
DAFTAR SIMBOL

TERMINAL
Digunakan untuk menggambarkan awal dan akhir dari suatu kegiatan

DECISION
Digunakan untuk menggambarkan proses pengujian suatu kondisi yang ada

PROCESS
Digunakan untuk menggambarkan suatu proses yang sedang berlangsung

INPUT/OUTPUT
Digunakan untuk menggambarkan proses masukan data yang berupa pembacaan data dan sekaligus proses keluaran yang berupa pencetakan data

FLOW LINE
Digunakan untuk menggambarkan hubungan proses dari suatu proses ke proses lain
